EVACUATION CHECKLIST

BE READY. LEAVE EARLY. STAY SAFE.

EVACUATION WARNING = GET SET TO LEAVE | EVACUATION ORDER = LEAVE NOW

A simple evacuation plan helps you act quickly and calmly during a wildfire. Know what to pack, how to prepare your home, and where to go before a warning or order is issued.

WHAT TO DO

1

**SIGN UP
FOR ALERTS**

Register for emergency notifications and monitor fire and weather updates.

2

**PACK YOUR
GO BAG**

Bring medications, IDs, chargers, water, clothes, cash, and important documents.

3

**PREPARE
FAMILY & PETS**

Plan where to meet and be ready to assist pets, children, seniors, and anyone needing extra help.

4

**READY
YOUR HOME**

Close windows and doors, shut the garage, and bring in outdoor items if time allows.

5

**KNOW ROUTES
& LEAVE EARLY**

Have primary and backup routes, keep your vehicle fueled, and leave early when advised.

VEHICLE READY

Park facing out • Keep keys handy •
Keep fuel in the tank

**STAY
INFORMED

RED FLAG

HIGH WIND EVENTS

STRONG WINDS. DRY CONDITIONS. HIGH FIRE DANGER.

A Red Flag Warning means that weather conditions are expected to produce a high risk of wildfires.

Be aware, be prepared, and help protect our community.

WHAT YOU CAN DO

1

REMOVE COMBUSTIBLE MATERIAL AROUND THE HOUSE

Clear leaves, firewood, doormats, cardboard, and other flammable items from around the home.

2

MOVE TRASH CANS & OUTDOOR FURNITURE INSIDE

Bring in patio cushions, lightweight furniture, umbrellas, and trash cans.

3

CLOSE ALL WINDOWS & DOORS

Help keep embers and smoke from entering your home.

4

REVIEW YOUR EVACUATION PLAN

Know your routes, parking locations, and communication plan in advance.

5

STAY INFORMED

Monitor local alerts and weather forecasts. Sign up for emergency notifications.

HOME IGNITION ZONE ASSESSMENTS

One-on-one wildfire education
and science-based guidance
for your home.

Learn what we observe, why it
matters, and which improvements
can reduce wildfire risk. You'll leave
with a clearer understanding of your
home's vulnerabilities and a confidential
personalized report, typically within
24 hours.

ALL INSPECTIONS ARE PERFORMED BY
NFPA CERTIFIED
WILDFIRE MITIGATION SPECIALISTS

WHAT YOU CAN EXPECT

1

**WALK THE
PROPERTY**

Review the home,
surroundings, and
ember-vulnerable
areas together.

2

**ONE-ON-ONE
EDUCATION**

Learn what we see,
why it matters, and
how risk can be
reduced.

3

**CLEAR
RECOMMENDATIONS**

Get practical guidance
tailored to your home
and property.

4

**PERSONALIZED
REPORT**

Receive a confidential
report, typically
within 24 hours.

5

**INFORMED
DECISIONS**

Take action at your
own pace and within
your budget.

COST & SCHEDULING

- Assessments are currently provided free of charge.
- Use the sign up link or QR code to choose a time that works for you.
- Each assessment has a market value of \$500.
